ALMA MATER

Our dear Mozelle High School we love you, our dear Alma Mater today. The stars shining brightly above you, shine brightly, as brightly for aye. To you we've been faithful and loyal, ever upholding the right; and forth as we go into battle, three cheers for the purple and white.

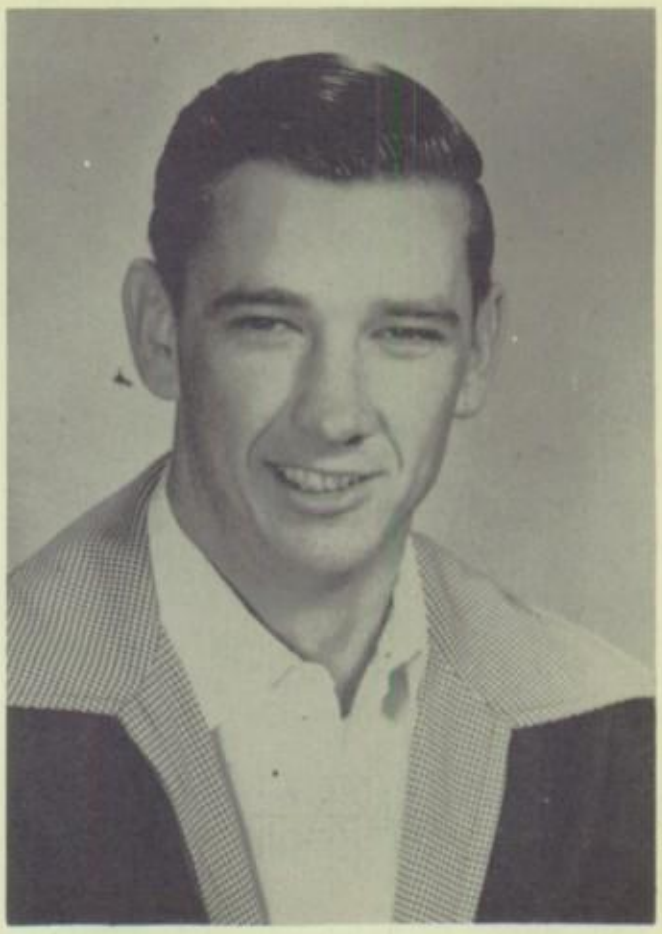
Foreword

Though time will pass, and we shall part, this MUSTANG will be an unbreakable link in your chain of memories. And if, when looking through these pages, you recall the happy hours, the valued friendships, and the many laughable and cherished memories--which otherwise would be forgotten--our efforts will not have been in vain.

With sincere wishes, here is your 1954 MUSTANG.

Joan Ballard, Editor
Nancy Adian, Business Manager

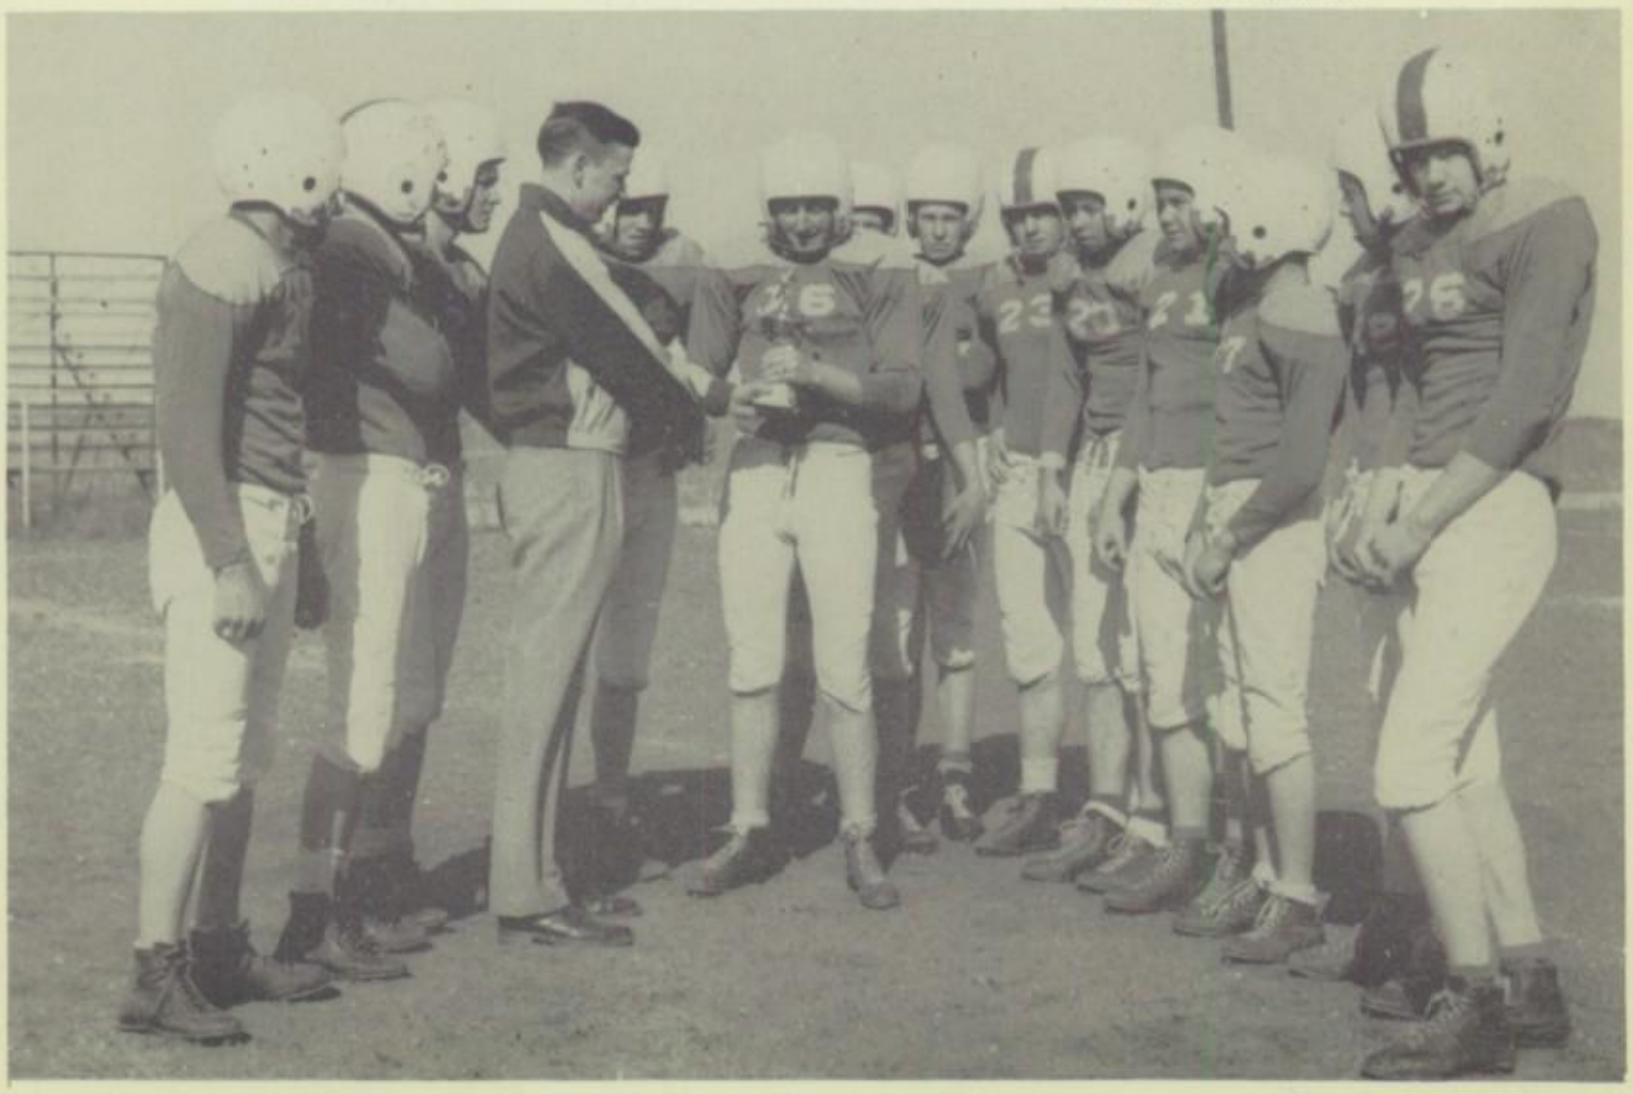
Dedication



One of the highest honors that can be bestowed upon a team is that of playing the game fairly--win or lose. Congratulations, boys, for winning the trophy for being the best sports in this football district.

In appreciation of this achievement, we, the Annual Staff, dedicate this edition of THE MUSTANG to you.

The Annual Staff



The MUSTANG in the making.

Message

Congratulations, Mrs. Veal and the annual staff, for your success in recording student life here at Mozelle. Thanks for the time and effort in putting out this annual.

My heart-felt thanks to the faculty, student body, school board, auxiliary employees and patrons of Mozelle for their co-operation in making this a very pleasant and profitable school year.

Best wishes, Seniors. May you ever strive to become better and more worthwhile citizens. Always remember that success is not measured in terms of material wealth, but in terms of service to our God and our fellowman.

Sincerely,
Ralph Wilmeth

Principal's

Activities in THE MUSTANG represent a year of your school life which, now, are only memories. May this annual help to revive and relive these memories in the future, and serve to indicate the progress made by each of you.

Many changes have taken place during the history of this school. However, the purpose - that of giving you the best possible foundation for your future - has not changed. It is to your advantage to absorb all that is possible while in school.

I wish to express my appreciation to the school board, the community, the students, the teachers and the annual staff for a job well done in making THE MUSTANG possible.

Sincerely,
Sherron T. Lee

In Memory

JEANENE

JONES

"The measure of a life is not its duration, but its donation." In thirteen brief years, Jeanene's contribution to her world was far greater than that of many who have attained the age of threescore and ten. Her genuine love for all humanity, and the glowing radiance of her smiling personality inspired everyone she met. Let us strive, through the deep sense of our loss, to remember our greater gain in the privilege of having known and loved her.
